Would you like me to set a specific time with them? I think you can call in when you get here if that is easier. Or I can do it, just want to be extra careful that we are all saying the same things.

BTW, I missed the GMA and Today Show. I was trying to get here before 7:30, but then the train was delayed and I didn't get in until 7:40am. Berry is doing clips and I asked him to look out for when the post the clips online. I also asked him to check CBS, to whom we sent a statement last night, as you know.

I think you'd probably need to call in to this show by about 10 or so if you also want to go to CNN by 11am. Ex. 7(a)
